

...Providing the Human Touch

Thank you for choosing us for your home care needs. Valley Home Health Services is a non-profit, home-based program licensed by the State of Maine and certified by MaineCare and Medicare. Bilingual providers enable communication with both, our French and English speaking clients. Locally owned and operated, Valley Home Health Services is proud to serve the people of Aroostook County.

MISSION

We are committed to providing high quality health care essential to the improvement of our client's physical and psychosocial condition.
